

Adopt a Stylish Look with Moon Design Women's Cropped Hoodie

Do you want to look stylish while staying warm and comfortable? It is time to try our [Moon Design Women's Cropped Hoodie](#). The fleece material and cropped silhouette style fulfill all weather and event requirements. Whether you are going out or resting at home, this hoodie can accompany you everywhere.

Features of Moon Design Women's Cropped Hoodie

Here are some notable features of Moon Design Women's Cropped Hoodie, which makes it a perfect choice in cold weather.

Impressive Design

This is a unique cropped hoodie with vibrant colors on it. It is thoughtfully designed to look different in a plethora of options. The raw hem dropped shoulder and seamed side detailing gives a retail fit for clothing that is absolutely perfect to size.

Environment-friendly Manufacturing Process

Moon Design Women's Cropped Hoodie has an environmentally friendly manufacturing process. It is made by using 7 times less water as compared to other manufacturers. This factor ensures no sweatshop conditions.

High-quality Material

This beautiful cropped hoodie is crafted with Airlume cotton, combed, and ring-spun for a unique texture and feel. It is made of 52% Airlume cotton as well as 48% polyester, which avoids any simple wear and tears

Easy to Wash

Due to its simple design and excellent quality, it is machine washable. All you need to do is avoid bleach and tumble iron. You can steam it or dry it at very low heat. You cannot dry and clean it.

Moon Design Women's Cropped Hoodie is a landscape hoodie you can style with jeans and a skirt to attend any casual gathering. Give it a try, you will love it.
