

Best Hyperbaric Chamber

Let Dr. Hilliard help you to replicate that success with your own [Best Hyperbaric Chamber](#) Meet Dr. Louis Hilliard – In 2004 Dr. Louis Hilliard graduated from Life University with a doctorate of Chiropractic.

Dr. Hilliard loved Atlanta so much that he stayed and in 2005 opened his first family chiropractic practice. Dr. Hilliard has helped thousands of patients reach their peak potential through chiropractic care but still was not happy with insurance reimbursements and how they could dictate patient care. He knew he could do more for his patients. In 2007 Dr. Hilliard stopped accepting all insurance plans, started an all cash practice free from the restrictions of insurance companies. This forced him to become creative and while climbing mountains around the world

Dr. Hilliard discovered mild hyperbaric oxygen therapy. Within his personal discovery of all the amazing healing

possibilities of hyperbaric with physical performance, he opened one of the first private hyperbaric business in the country, Atlanta Hyperbaric Center (AHC).

Dr. Hilliard donated a hyperbaric chamber to Life University for conducting studies on the validity of mHBOT and the effective treatment of neurological diseases in conjunction with chiropractic. Dr. Hilliard is currently the president of the National Association of Mild Hyperbaric. In 2016 he created the first ever mild hyperbaric training program [Hbot Chamber For Sale](#) and is currently working on a hyperbaric textbook
