

Windsor Painting

Windsor Painting, Inc. is a family-owned company with over 40 years of experience, owned by Mike Leverette. They offer trusted painting services for homes and businesses in Northern Colorado. Their team is made up of full-time painters trained by Mike, so every job is done with care and skill. They don't use temporary workers or subcontractors. Windsor Painting uses high-quality paints and applies them properly to ensure the paint lasts. They are honest, provide full receipts, and carry insurance for your peace of mind. Their goal is to deliver great results and excellent service.
